Fairy Godparents Needed!

Every great legend begins with a little magic—and a community of generous hearts willing to make dreams come true.

Our 2027 Fairy Tale Ball, **Legends of the Sea,** will bring families together for an enchanting evening of fairy tale characters, creative activities, dancing, and unforgettable memories. But for some families, the cost of attending can be a barrier.

That's where you can be the magic!
Your donation can make a family's fairy tale come true.

As a Fairy Godparent Sponsor, your donation of $100 or more will provide one local family with complimentary admission to the Fairy Tale Ball. Your generosity helps make this special experience accessible to families who might not otherwise have the opportunity to attend.

As a Fairy Godparent, you will receive:

- **Recognition in our event program**
- **Your name displayed on a star at the Fairy Tale Ball**
- **The joy of knowing you helped create lasting memories for a local family**

Whether you're an individual, a family, a business, or a community organization, you can help make this magical evening possible for another family.
