PARENT CONNECTION
www.familyservicesnew.org

1810 Appleton Road, Menasha
(920) 739-4226 ext. 108

36 Broad Street, Oshkosh
(920) 233-6630 ext. 101

Parent Connection is a parent education and support program designed to *Encourage, Strengthen and Support Families*. Each program offered by Parent Connection is focused on providing family education and promoting positive parenting techniques to include:

- Support parents by sharing and promoting effective skills of positive parenting
- Strengthen healthy parent/child relationships
- Develop and maximize parent's potential to resolve difficult situations
- Strengthen the relationship between parents to promote healthy family dynamics.

Parents as Teachers' Home Visitation

This free early-learning program is designed for first-time parents and their babies residing in Outagamie, Winnebago and parts of Calumet County. Family Support Specialists trained in early childhood and brain development conduct home visits from the child's birth to the age of three.

Family Wellness Workshops

Find out the latest information about child growth and development, stress management, positive discipline, communication, the teen years, and many other issues related to parenting.

Teen Parent Program

The Teen Parent program is designed to meet the unique needs of teen parents by providing them with unique opportunities such as Parents as Teachers Home Visiting program, Teen Parent Mentoring, and monthly group meetings.

Community Presentations

Parent Connection offers speakers to businesses, schools, community agencies, and more on a variety of parenting and child abuse prevention topics. Program fees vary depending on length and location.

Family Fun Events

Parent Connection offers several low-cost family fun events for parents with young children including the annual Dad's & Kids' Luau and the Autumn Adventure.

Fatherhood Programs

The Fatherhood Programs of Parent Connection are specifically designed with needs of men in mind, as they become fathers. Classes for expectant dads on baby care basics are offered as well as on-going groups for dads and their children, ages birth to five.

Supervised Visitation & Exchange

Provides visitation and exchange services between divorced or separated parents. Staff help to ensure a safe and secure setting for the child, free from parental violence or conflict.

Even Start Family Literacy Program

*1125 E. Taft St. (McKinley Elementary), Appleton
(920) 832-6285*

Even Start is a family program where parents can learn English, finish their high school education, acquire basic skills necessary for a job, and learn skills to be their child's first and best teacher. Children birth to age four participate in a quality early learning program of their own at the same location and time. Our goal is that families prosper and children thrive and learn up to their potential. Families must have a child between birth and age five, live within the Appleton Area School District boundaries, and complete a screening form to determine economic and educational need requirements.
